MEMORANDUM FOR THE DIRECTOR

SUBJECT: Briefing of Killian Board on Our Future Personnel Management Problems

1. I have talked to Pat Coyne reference my briefing the Killian Board on Wednesday on the subject matter. They meet at 9:30 with you and at 12:00 with the President. They do not intend to meet in the afternoon.

2. In order not to run the risk of leaving USIB unchaired, I would propose that you merely inform the Board of what you did at the two meetings on the Hill on Monday and Tuesday with regard to the Personnel Bill, and tell them that we will give them a complete briefing at a later date.

3. If this is agreeable, I will be prepared to chair the USIB Meeting until such time as you return.
